

JASPER QUARTET -- Young Masters of the Old and New  
Wednesday, October 2nd, 2013.  
LaSells 7:30

Hurrah!

Our new season starts early next month!  
It will be our 55th Season!

Our excuses for the exclamation points, but it feels good to be back. And it feels good to have received so many generous responses to our Save Our Series campaign. The funds we received will give us some financial breathing room. Even more importantly, your responses showed us how much you value our Series. Morale is up! (*Sorry, we just couldn't help ourselves.*)

For the start of our new Season, we present the Jasper Quartet, winner of the 2012 Cleveland Quartet Award. For information about the Jasper's other awards, the artists, and their planned program, click [HERE](#).

And thanks again.

Dr. Robert Verhoogen, Chair  
Chamber Music Corvallis
